PRESS RELEASE

PICKERING MANOR RECEIVES TREMENDOUS SUPPORT FROM THE COMMUNITY

*JKJ and Isaac Newton's of Newtown teamed up to support neighboring facility –
Pickering Manor, a 5-star community-owned and operated continuing care community*

October 4, 2021 – Newtown, PA – On Wednesday September 29, Johnson, Kendall & Johnson (JKJ) and Isaac Newton's Bar and Restaurant hosted a fun family friendly Fundraiser featuring Eagles Alumni and Swoop to benefit Pickering Manor's Capital Campaign.

Johnson, Kendall & Johnson (JKJ), a longtime supporter of Pickering Manor, graciously organized the event for the Manor's Capital Campaign. The event included eleven beautifully assembled raffle baskets coordinated by Collen Albrecht, Marketing Specialist at JKJ. All items in the baskets were graciously donated by several business owners and members in the community, as well local Philadelphia sports organizations, such as the Philadelphia Union and Philadelphia Eagles.

Isaac Newton's offered both indoor and outdoor options to accommodate guests' comfortability levels. The beautiful fall evening drew over seventy-five plus guests and raised over three thousand and five hundred dollars for Pickering Manor's Capital Campaign - with more proceeds to be added as Isaac Newton's will generously donate ten percent of the night's sales.

Michelle Knobloch, Pickering Manor's CEO, expresses her gratitude, "Our hearts are full from the support we were shown on Wednesday night – a sincere thank you to JKJ, Isaac Newton's and their amazing staff, the Philadelphia Eagles Alumni - Sean Landeta and William Thomas, as well as Swoop! And last but certainly not least, our friends, family and community who came out and/or donated to support us – we feel blessed."

Pickering Manor has reached seventy percent of their campaign goal of \$1.5 million. If you would like to support Pickering Manor's Capital Campaign, please contact our Development Department for more information at (215) 968-3878 ext. 1112.
