**NEWTOWN, PA** – Pickering Manor will hold an open house for its Independent Living Cottages and newly constructed Personal Care Neighborhood on Sunday, April 30 from 1 to 4 p.m. Pickering Manor is nestled in a residential neighborhood just blocks away from the heart of Newtown Borough and its assortment of shops, restaurants, entertainment venues, worship centers, and historical sites.

There are several Cottages to choose from, including one newly renovated two-bedroom, two-bathroom unit. Enjoy worry-free living, the Cottages are a buy-in into the continuum of care and Pickering staff provides housekeeping, chef prepared meals and maintenance-free living. In addition, Pickering is in the process of transitioning the Manor into a gathering and dining space for our Cottage Residents to enjoy.

For those who require a bit of assistance with their activities of daily living, Pickering's Personal Care Neighborhood caters to your unique needs, taking care of all your meals, housekeeping, and laundry. Located in the newly constructed Yates Pavilion, the 15-unit Personal Care Neighborhood offers private suites of various sizes – each with its own living area, bedroom, kitchenette, and bathroom.
