"Terry Ziegler's promotion to Assistant Nursing Home Administrator and Gloria Wright's appointment as our new Director of Nursing reflects our commitment to providing exceptional care and leadership within our community."

Terry Ziegler has been promoted to Assistant Nursing Home Administrator after 16 years of dedicated service at Pickering Manor and over 40 years of experience in the healthcare industry. Terry will work closely with David Woodhead, our Executive Administrator, to ensure alignment with organizational goals and strategies.

Additionally, Pickering Manor welcomes Gloria Wright as the new Director of Nursing. Gloria brings over 40 years of nursing experience, specializing in geriatrics, long-term care, hospice, management, and regional nurse consulting for long-term care and assisted living communities. Her appointment

underscores Pickering Manor's commitment to providing the highest quality of care for its residents. Gloria's forward-thinking approach to nursing care and her dedication to fostering a compassionate and supportive environment will greatly benefit residents and staff alike.

"We are confident that Terry and Gloria will bring invaluable leadership and expertise to our community," David Woodhead continues. "Their appointments reflect our ongoing dedication to enhancing the quality of care and resident experience at Pickering Manor."
