DRIVEN BY GENEROSITY. POWERED BY COMMUNITY.

Generosity from the Auxiliary and our community helped turn a much-needed wish into a hardworking reality.

NEWTOWN PA - If you've been around Pickering Manor lately, you may have noticed a new addition making its way around campus!

During our End of Year 2025 Appeal, we asked our friends and supporters to help us replace Pickering's aging truck — a true workhorse used for projects and everyday needs throughout our community. Thanks to the generosity of so many donors, we made tremendous progress toward that goal.

Then, the Pickering Manor Auxiliary helped get us over the finish line.

With a generous contribution toward the appeal, the Auxiliary helped make the purchase of our new truck possible. And we haven't wasted any time putting it to work! From hauling supplies and equipment to helping with projects across campus, it has already become an incredibly useful resource for our team. As we head into the winter months, we're especially grateful to have a reliable truck that's equipped to plow snow and ready to help our team tackle whatever the season brings.

For decades, the Auxiliary has supported Pickering Manor in countless ways, always with the needs of our residents and community at heart. Their contribution to this project is another wonderful example of that longstanding commitment.

We are deeply grateful to the Pickering Manor Auxiliary — and to every donor who contributed to the End of Year 2025 Appeal. This truck truly represents what can happen when our community comes together around a need. And judging by how much we've already used it, we have a feeling it will be hard at work at Pickering for many years to come!

To learn more about Pickering Manor, our Auxiliary, or ways to get involved in our community, visit pickeringmanor.org.

Pickering Manor is a 5-star community-owned and operated Life Plan Community in Pennsylvania serving Bucks County since its opening in 1963, formed by the generosity of Henry Russell Pickering. In 2020, Pickering Manor opened its largest expansion to date, a 26,000-square-foot facility which accommodates 15 short-term residents, a state-of-the-art rehab unit, 15 personal care private rooms, and a renovated 32-bed skilled unit. Pickering recently added a certified 21-bed Memory Care Unit and offers Cottage and Apartment Independent Living options. Visit www.pickeringmanor.org for more information.

Members of the Pickering Manor Auxiliary and Pickering Manor team with our new truck, purchased with the support of donors to the End of Year 2025 Appeal and a generous contribution from the Auxiliary.
